The revised constitution, parts of which were adopted on Tuesday and others on Wednesday, appears in full on pages - in this issue of the Proceedings.

The Moderator read a copy of a letter he had written to Mrs. James P. Morgan of Raleigh under date of October 13, 1966, on behalf of the Association, which was approved. The letter follows:

Mrs. James P. Morgan
3325 Hampton Road
Raleigh, N. C.
Dear Mrs. Morgan:

Our hearts are grieved with the home-going of your husband and our dear friend and co-worker in our denominational work.

"Jimmy" meant something special to each of us here in the Pilot Mountain Baptist Association. First, for the many times he was here and shared with us of the great needs and opportunities in Training Union. Second, as individuals for the many times he was involved with our own special difficulties or joys. We won't forget him.

May God continue to be close to you and comfort you in your loneliness. May the void be filled with beautiful memories of all that he was during his very fruitful, full and dedicated life.

Be assured of our Christian love and concern during these difficult days.

Sincerely,
DWAYNE B. ZIMMER,
Moderator

Denny L. Turner led the congregation in singing the hymn, "Ye Servants of God, Your Master Proclaim."

Ray W. Benfield served as moderator for a panel discussion on "Our Associational Program—Its Growth and Ministry." He gave a brief review of the history of the Association. A Sunday school report prepared by associational superintendent Clyde Bristow was read by Kenneth Bobo.

SUNDAY SCHOOL REPORT

The Associational Sunday school organization visited in twelve churches during the year. In response to requests from ten of these churches, six conference type meetings and four training sessions were held.

In these meetings conferences were available for every age group worker. Special training opportunities were available in four churches during the year which will result in a large group of better informed workers and a gain of more than one hundred credits in the Church Study Course, category seventeen. It is well to note that eight of these churches are outside the city limits of Winston-Salem.

Superintendent of Vacation Bible Schools received many enthusiastic reports relative to the value of the V.B.S. training clinics for workers, held previous to the regularly schedule Schools in the churches. From individual churches there were some encouraging reports, some scheduling their Schools at night.

An Associational sponsored Sunday School Fellowship supper meeting in the King High School Cafeteria in July was well attended. The Church Growth Plan and its worthwhileness to Vacation Bible Schools. Training Union and Leadership Preparation Week were noted. The highlight of the evening was an evangelistic and challenging message by the Rev. Ray Pollard, pastor First Baptist church, King.

Conferences and training sessions were well attended during the year and a spirit and enthusiasm of people seeking to learn more about better Sunday school work was apparent.

As we seek to enlarge our Bible teaching, people reaching, church growth emphasis for the coming year, we seek your prayers.

We appreciate so much the wonderful spirit, cooperation and resourcefulness of those who served in the Sunday school last year and for the churches who were host to our meetings.

We look forward, with the prayers and assistance of those who comprise the organizations in this new year to do even greater things for Christ and His Church, in this Association.

We appreciate too, our Associational Missionary and the office staff for their leadership and help during the year.

Vernon Frank made a verbal report about the Training Union work and program of the Association.

Mrs. Henry Whitaker, W. M. U. president, discussed the work of W. M. U. in the Association and furnished a written report of activities.

Lester Angell talked of the Brotherhood program in the Association. A written report, prepared by Association Director Buford Henderson, follows.

BROTHERHOOD REPORT

Brotherhood held a very successful Workshop at Mineral Springs Baptist Church on October 3, 1966, with some 100 participating. At this meeting five conferences were held, instructing those attending in the new organizational structure of Brotherhood. Brotherhood is now headed by a director, taking his place in the Church Brotherhood along with the director of Training Union and with the Sunday School Superintendent in the Church. Under the Director of Brotherhood are the three units of Brotherhood, to wit: Baptist Men, ages 25 and upwards, Baptist Young Men, ages 18 through 24 and Royal Ambassadors, ages 9 through 17. These three separate units have their own officers.

The role of Brotherhood working through the three units of organization is still Mission Study and Mission Action, and consequently two new offices have been created for Baptist Men and Baptist Young Men. These offices are (1) Mission Study Leader and (2) Mission Action Leader.

One new concept of Brotherhood is that all male members of the local church, falling in the above stated age groups, are considered participating members of either Baptist Men or Baptist Young Men. Thus the emphasis has shifted from organization to job accomplishment.

The role of the Associational Brotherhood is: to assist the churches in their programs of Missionary Education and Mission Involvement for men, young men and boys, through promotion, training, and enlargement.

Johnson Gupton discussed briefly the work of the Music Council in the Association.

Mrs. James Brown called attention to activities in promoting and building church libraries in the Association and the need for encouraging people to make use of the facilities the libraries provide.

Roy Liner, chairman of the Missions Committee, requested the Moderator to read a letter from a special committee of the Bethania Baptist Mission. Signed by Larry Clinard, Mrs. Roff Grimes, Frank Robertson, Mrs. W. T. Swink, Ralph Poole, Mrs. John Wilkinson, and Harry Rutledge, the letter follows.

Pilot Mountain Baptist Association
Winston-Salem, N. C.
Dear Friends of:

Unity, Bethany, Forest Hill, Oldtown, First, King, Rural Hall, Union Grove, Stanleyville, Lewisville, State Convention, New Hope, College Park, College Park V.B.S., First, Winston-Salem, Union Cross, W. T. Swing & Wife, Waughtown, Vienna and Pinnacle.

May we, the Bethania Baptist Mission, express to you our heartfelt thanks and sincerest appreciation for your prayers and financial support in this, our undertaking of a new mission in the Bethania Township with a prospect of a new church to be located on Highway No. 65 and Murray Road.

We began our Sunday school and morning worship services on October 2, 1966, in the home of Mr. & Mrs. Roff Grimes, Turfwood Drive in the Wedgewood Community, with a weekly prayer service each Wednesday night.

We feel we had an excellent beginning and with your continued prayers we are sure of a great future.

Juvenile Rehabilitation

Maurice Briggs, Director of the Juvenile Rehabilitation Program, reported that work in this department had begun July 1; that the Committee on Juvenile Rehabilitation had attended a workshop at the First Baptist Church and planned to meet later in October to project plans for the next several months; that he, as Director, had attended a ten-day orientation meeting for new appointees of the Home Mission Board, had spoken in nine churches, two civic clubs, at the Associational WMU banquet, the South Yadkin Association, and the School of Pastoral Care, had conducted a program at the Forsyth Youth Center, talked with families of two delinquents and with three delinquent youths, met with some men and the pastor of Forest Hills Church at the pastor's request to discuss plans for reaching several boys in the community, and had spoken to the Associational Royal Ambassador outing group. A report was given on plans for the workshop on "Meeting the Needs of Youth in Trouble" scheduled for November 3 at the First Baptist Church, Winston-Salem.

Ronald Rice gave a verbal report about the Patterson Avenue Mission. Ralph Cannon and Benjamin F. Daniels spoke about the work of the Forsyth Missionary Baptist Fellowship. Mrs. Richard Whisnant gave a brief report about the Kindergarten Program.

Claxton Hall, pastor of the host church, made announcements concerning the noon hour and place of meeting for the afternoon program.

Annual Sermon

A worship service preceding the annual sermon included a congregational hymn, "Zion Stands with Hills Surrounded," Scripture reading from the first chapter of James by Hammet Riner, Jr., special music by Mr. and Mrs. Ed Stalnecker, vocalists, and Mr. and Mrs. David Tyson, accompanists.

David Boaz, pastor of Becks Church, delivered a challenging sermon in which he stated that the "Church may be losing sight of its past" and becoming content with "the hobo life"; that participation in things the church is doing is declining, with more people coming to church but more doing less about doing. He added that "the church is content *to stay* when the time comes *to go* . . . that we may be in a time when we'd be better off to be poor than to be rich . . . that we have lost something in the transfer from poverty to riches . . . that the church is too much in general to be anything in particular." He called for a re-dedication to the New Testament ideals of Paul who said he was ready to go to Jerusalem and die for the sake of the gospel.

At noon lunch was served by the host church.

Tuesday Afternoon Session

At 1:00 p.m. the afternoon session opened with the Moderator presiding. Following the singing of a hymn, worship was continued by the presentation of a dramatic reading, "In the Beginning, God," by Mrs. Texie Frye of Southside Church.

Dr. James Carpenter, missionary to Indonesia now at Bowman Gray School of Medicine, was introduced as a visitor.

DENOMINATIONAL SERVICE MINISTRIES

Pastor Ted Key of Oldtown Church made a verbal report as *Biblical Recorder* representative.

E. C. Watson, representing the Baptist State Convention, addressed the Association on the topic: "It's All for You" or "What the Baptist State Convention Does to Strengthen the Churches." He emphasized what is done to assist each church to define and fulfil its own mission as a church through its departments of Survey and Statistics, its Five Year Spiritual Growth Program, its departments of Sunday School, Training Union, Music, Brotherhood, W. M. U., Church Building and Planning, Stewardship Promotion, Pastors' Retirement, Program Services, and Christian Education. He stated that the Convention does this work on three levels—by invitation from the churches, through the associational officers and organizations, and by means of statewide conferences.

W. Perry Crouch, General Secretary and Treasurer of the Baptist State Convention, spoke to the Association on "The Mission of North Carolina Baptists." After reading from Ephesians 4, he emphasized the fact that "the church is in business as a channel for God's Spirit to move through to change the world." The important thing, he said, is not how big the church gets but what happens to its members. The church is not unchangeable, rigid in its orthodoxy, he emphasized, but presents a new way to live and produces changed lives in the present world. He announced the recent addition to his staff of Dr. Nathan Brooks who will be Director of Church Services and will lead in the correlation of the Convention's various programs, and Dr. Howard J. Ford as Director of Missions, succeeding Dr. E. L. Spivey, retired. Dr. Crouch referred to North Carolina Baptists' ministry to the deaf as "the finest in the nation." He announced plans to upgrade Fruitland Baptist Institute for the training of ministers and told of work now being done with Indians. Two new departments have been added to the Convention's program — Town and Seminary Extension and Metropolitan Missions—he stated. Calling attention to the fact that the Convention, through its trustees, operates ten social service and educational institutions and that gifts to all causes of the Convention were up 10 per cent from those of the preceding year, Dr. Crouch said there are still enormous needs to challenge North Carolina Baptists.

J. M. Johnson read the following report on

CAMP RETREAT

You are aware that our main building at Camp Retreat was destroyed by fire after the camping season of last year.

Because of this loss there was no camping during the past summer. You are aware also that prior to the fire your committee had employed the services of Charles C. Stott, Camp Consultant and Planner, of Raleigh, to work with us on a study and plan to evaluate the Association's coming and related activities in the light of present and projected trends in Christian education in an out-of-doors setting. Mr. Stott will assist us in determining future needs in this field and furnish us with a master plan from which we can obtain information relative to the needs and plan for facilities for a more effective camping program.

Mr. Stott tells us that his work is about finished and that very soon he will submit his first draft. We are using what information he has furnished us up to this point in making tentative plans and trust that in the very near future we will be able to begin work. The $12,000 collected from insurance is in savings and will be available when needed.

Foy Martin, chairman, reported verbally for the Committee on Evangelism that a study of revivalism and evangelism is in progress and that announcement would be made soon of the results of the study.

R. K. Redwine, chairman, reported for the Committee on Ordinations that Glenview Church had requested the ordination of Richard Boger and that the Committee had arranged a conference with Mr. Boger on October 21 with a view to examining his qualifications for the ministry.

Roger Bolton made a verbal report for the Historical Committee, calling attention to the importance of preserving permanently all church records and stating that the Wake Forest College Library will cooperate with the churches in this project.

Arthur L. Reid, chairman, read for the Cooperative Program Committee the following:

Cooperative Program Report

A pressing need of each church in our Association is an undergirding of the Cooperative Program with prayer. Information on the world-wide missionary work carried on through the Cooperative Program will form a basis by which your church can pray with knowledge and zeal.

The Cooperative Program must be nurtured in prayer because information alone is not enough. It is hoped that every church will have a special prayer for some mission cause supported through the Cooperative Program in the prayer service each week during the month of October.

We are witnessing the greatest missionary advance in Southern Baptist history in missionaries being sent, benevolent work done and training of young people for world-wide service. This is being made through our missionaries, orphanages, schools, homes for the aging, and our Baptist hospitals. Through the Cooperative Program you literally feed the hungry, clothe the naked, heal the sick, and preach the gospel to the far corners of the earth.

We are making progress in our concern for those Jesus came to seek and to save. Each year more of our churches are increasing Cooperative Program giving and at the same time others are beginning wholehearted participation.

Several associations in North Carolina have 100 percent of their churches giving through the Cooperative Program. According to available records our association gave a total of over $290,000.00 this past year through the Cooperative Program. Thirteen churches did not share in world missions through the Cooperative Program.

With enthusiasm let us be faithful in worshiping with tithes and offerings, and our churches sharing regularly through the Cooperative Program for the benefit of a lost world.

Troy Hamrick, chairman, reported for the Christian Life Commission as follows:

Christian Life Commission

The Family Life Conferences held last November 1-4 at the First Baptist Church was well attended. The work-groups were very informative and enormously helpful to those participating. Certainly many of our homes and churches have profited greatly by their leaders having joined in the effort.

Our committee also served as a panel at the Associational meeting last February 15 at the Walkertown Baptist Church. Our theme for discussion was, "The Church and the Christian Home." We are concerned greatly with the many complexities that face our modern society, and as we look to the coming year we hope for more productive action as we work more closely with the emphasis of our State Convention and the Christian Life Commission of the Southern Baptist Convention.

Following the singing of a hymn, "Redeemed, How I Love to Proclaim It," Lewis Ludlum introduced O. D. Morris, Associate Secretary, Department of Survey and Special Studies of the Home Mission Board, SBC, who exhibited graphically the results of recent studies of this area, showing membership growth and mobility in the churches from 1960 to the present, and making projections of population and church membership growth to 1975. He showed effectively the importance of increased effort in evangelism and training to reach and keep members in the years ahead.

The Association adjourned to meet at 3:30 p.m. Wednesday in the First Baptist Church, Winston-Salem.

Wednesday Afternoon Session

Moderator Dwayne Zimmer called to order the Association for its second day's session at 3:30 p.m. Wednesday, October 20. Luell Smith led the congregation in singing the hymn, "God of Grace, God of Glory." Worship was conducted by a group of women from College Park Church.

Reports were made in order by Manley Bennett, Chairman of the Nominating Committee; Ray Pollard, for the Committee on Committees; Mrs. John D. Lewis, Treasurer; and Jesse Head, Chairman of the Finance Committee. (See Associational Directory and Financial Reports.) The reports were adopted.

ADDRESS ON CHRISTIAN EDUCATION

W. Henry Crouch presented the new president of Mars Hill College, Dr. Fred Bentley, who spoke on "Christian Education—Institutional Goals for Students and Faculty." The four goals discussed are: *Unselfishness, Sincerity, Vision,* and *Opportunity to Increase Faith.*

Under the order of miscellaneous business, Ray Benfield presented the final recommended change in the Constitution. Upon motion, the revised Constitution as a whole was adopted.

Some announcements were made by Randall Lolley. Orvill Scott, Editor of *Charity and Children,* was introduced.

Following the singing of a hymn, "Let There Be Light, Lord God of Hosts," Ed Christman served as moderator for a panel on

THE ROLE OF YOUNG PEOPLE IN THE CHURCH

Students participating in the panel discussion were Lee Calloway, Beth Garrison, Mark Primm, and Kenneth Barnes. Some questions were asked by members of the audience. Christman summarized the discussion and conclusions of the four young people under four headings: (1) There are many opportunities in the churches now for participation of youth; present-day youth are very capable; the character of the next generation will be determined by youth of today. (2) There is need for more discussion between youth and adults; for better and more mature programs, more capable counselors and leaders for youth. (3) Adults in the churches set the example for youth and, on the whole, fill the job well. (4) Youth's primary role is learning, beginning with the nursery. They ask questions and will not settle for pat answers. In the church they seek to discover peace, comfort, and opportunity to serve. They believe that Christians should live their creed through their acts, as in the case of the Good Samaritan.

A FASHION SHOW — SOME THINGS FOR THE HEAD

Mrs. Mabel Brown, representing the Library Committee, presented an effective drama with the assistance of several young people from New Hope Church. By use of placards designed for use as hats, young people appeared one after another with appropriate book titles on their heads. Some of them were "My Money and God" — "The Big Road Offers No Easy Solution" — "World Aflame" — "In His Steps" — "Christ and the Fine Arts" — "Beloved Invader."

Following adjournment, dinner was served by the First Baptist Church.

Wednesday Evening Session

With Vice Moderator Ray Benfield presiding, the evening session was called to order at 7:00 p.m., First Baptist Church, Winston-Salem. Opening worship was conducted by Wake Forest and Salem College students of Knollwood Church who presented a skit on "No Man Is an Island—No Man Stands Alone." Following a congregational hymn, "To God Be the Glory," Ray Benfield led in prayer.

THE SOCIAL SERVICE INSTITUTIONS

Marvin Aycock introduced Orvil Scott, editor of *Charity and Children,* to speak on behalf of North Carolina Baptists' Social Service Institutions—Baptist Hospital, Baptist Homes for the Aging, and Baptist Homes for Children. Mr. Scott used as his topic, "Ministries of Love," describing effectively the excellent work and growing needs of these agencies. Following are condensations of reports received from these institutions.

N. C. BAPTIST HOMES FOR THE AGING

During the past year we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists, through the Special Day offering, received on the third Sunday of February each year, and though our share in the Cooperative Program. The large majority, at least 85 percent, have benefitted directly from these gifts and have actually been sustained at the point of their financial need.

The Special Day offering for 1966 is at an all time high and looks as if it might be $100,000 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that, even though there has been a 5 percent increase in the offering from last year, costs have advanced by 7 percent.

There have been fewer deaths within this year than previously, and the critically ill, in many instances, have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and your gifts go in ministering to the needs of the residents, particularly at the point of tender, loving care in illness.

Perhaps the outstanding paradox in all of our Homes is that the first resident to receive a Medicare card, during this first year of the operation of Medicare, is our oldest resident, who never takes any medication at all and who does not need to see a doctor, or go to the hospital. She is "Aunt" Fannie Drumwright, who celebrated her 105 birthday in July.

It is anticipated that construction will begin on our fifth Home at Yanceyville during the coming year, and when it is completed, we will be able to minister in all of our Homes to 200 older men and women and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers, and the increased financial support of North Carolina Baptists. We are, therefore, going to count heavily on you and believe that you will not disappoint the aging people who are looking to you urgently for help.

N. C. BAPTIST HOSPITAL

Our Baptist Hospital and Medical School are a center of healing for body, mind and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information to your people and help to lead them to give serious consideration to the Hospital's vital ministry and its urgent need.

Baptist Children's Homes of North Carolina

North Carolina Baptists eighty-one years ago launched a Christian ministry of child care. This has grown considerably through the years. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

An already strong program of group care is being strengthened at Mills Home, Kennedy Home and Odum Home. Progress has been realized in working with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for preschool children, conducted on the Mills Home campus, has had an excellent first year of operation. Churches throughout the state are studying the program and facilities preparatory to providing similar services. Prospects are encouraging for a home for children in the western part of the state. Constant attention is being given to more effective ways of meeting the needs of children coming out of broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or wthout children of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have helped to support our child care ministry. We are grateful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering is approaching $315,-

000, the largest ever. Special gifts and designations such as the once-a-month offering continue to provide a substatntial part of our income. Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services of the Baptist Children's Homes. Roger Williams, former pastor of the Mills Home Baptist Church, is devoting full time to working with our Baptist people in this area, and he or other members of our staff will count it a privilege to assist you in exploring this field of Christian stewardship.

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ.

REPORTS OF SPECIAL COMMITTEES

The Association voted approval of the report of the Committee on Place and Preacher, made by Walter Stanley, as follows: Place (undecided)—Preacher—Randall Lolley, pastor of First Baptist Church, Winston-Salem.

The report of the Commitee on Resolutions, presented by Mrs. Leon Lasley, was adopted.

RESOLUTIONS

Your Committee on Resolutions recommends that our Association express deep appreciation to the following:

1. To the Clemmons Baptist Church and to its pastor, Claxton Hall, and to the First Baptist Church of Winston-Salem, and its pastor, Randall Lolley, for their hospitality as gracious hosts of the Association, together with the several other churches who joined them in providing food and facilities.
2. To the officers of the Association, especially to our moderator, Dwayne Zimmer, and our retiring clerk, Paul Reese, for a mammoth job well done.
3. To the Committee on Order of Business and its chairman, John Compere, for the inspiring and informative program.
4. To the program personalities and special music groups.
5. To the news media, especially to Miss Vertie Stroup, for the fine coverage given to the Association sessions.
6. To Lewis Ludlum and the Association staff for the steady leadership they continue to give.
7. To all of churches, their leaders and messengers to the Association, for their loyalty in support of the cause of Christ through the Pilot Mountain Baptist Association.

R. K. Redwine, chairman of the Committee on Memorials, conducted a brief memorial service. His remarks follow:

IN MEMORIAM

Since our last annual meeting nearly 200 of our fellow Christians, or a few more than one-half of one per cent of our church members, have gone from our midst to the rest prepared for the people of God.

For these, "death is swallowed up in victory. Thanks be to God who giveth us the victory through our Lord Jesus Christ. Therefore, my beloved brethren, be ye stedfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not vain in the Lord."

"I heard a voice from heaven saying, Write this: 'Happy are the dead who die in the Lord henceforth. Happy indeed,' says the Spirit, 'that they may rest from their labors for their deeds follow them'."

Our Father, we pause with bowed heads to give thanks for the lives that our friends have lived among us and for the contributions they made to our lives. We honor their blessed memory. We sympathize with their families and loved ones. Comfort and strengthen them. Help us, O Lord, to fill up the gaps in the ranks and carry on worthily the work they left behind. Amen.

Under the leadership of Dwayne Zimmer, the Men' Chorus of the Association conducted a period of worship, singing several selections, reading responsively from the Scriptures, and closing with a prayer hymn, "More Like Jesus Would I Be."

THE ROLE OF THE LAYMAN

Featured speaker of the evening session was Dr. Kenneth Chafin, introduced by Randall Lolley. Dr. Chafin is Professor of Evangelism, Southern Baptist Seminary, Louisville, Ky. He characterized modern man as having profound interest in time but little in eternity; not so much interested in right and wrong and revelation as in relationships, concerned with the question, "Is there any meaning to life?" Not so much concerned with the past or the future of the church as with the NOW. He emphasized the need for flexibility and creativity in the plans and programs of the church; for laymen who are informed, inspired, committed, willing to give up their amateur standing, and stop trying to deal with the problems facing the church with a child's religion.

In the closing moments of the session Dwayne Zimmer, retiring Moderator, presented the gavel to the new Moderator, Ralph Cannon. With the singing of "Blest Be the Tie That Binds," the Association adjourned to meet again in annual session on Tuesday and Wednseday, October 10 and 11, 1967.

Annual Meeting Woman's Missionary Union of the Pilot Mountain Baptist Association

The morning session was held at the First Baptist Church, Winston-Salem, on April 5, 1966, with "Go and Tell" as its theme. Mrs. Henry Whitaker, President, presided.

An ensemble presented a choral call to worship, followed by the congregational hymn, "O for a Thousand Tongues to Sing." The invocation was by the Rev. Ray W. Benfield and the Scripture was read by Mrs. C. Banks Finger. Meditation was given by Rev. Ronald Rice. The welcome was by Mrs. E. G. Lackey.

After announcements and business by Mrs. Whitaker, the hymn, "Christ for the World We Sing," was sung. Mrs. Hammitt Riner led the Call to Prayer and Fred L. Kelley, Jr., presented special music.

The missionary address was given by Mrs. Troy Bennett, missionary to East Pakistan. Her topic was, "Few Among Many."

The Rev. Lewis Ludlum led the benediction.

Evening Session

The evening session was held at the Bethany Baptist Church. The ensemble led the Call to Worship, followed by the congregational hymn, "O for a Thousand Tongues to Sing."

Invocation was by the host pastor, the Rev. Paul Riggs. Mrs. W. T. Hendrix read the Scripture and the group was then led in choral worship entitled, "Teach Me to Pray."

The meditation was given by the Rev. Wilburn Hendrix. The welcome was by Mrs. G. Otis Priddy.

Mrs. Whitaker presided at a brief announcement period followed by the singing by the congregation of the hymn, "Christ for the World We Sing."

Mrs. Hammitt Riner presented the Call to Prayer, followed by a solo by Mrs. Claxton Hall.

The Missionary Address was by the Rev. Jerry Potter. His topic was, "Go and Tell the Silent World Also." Mr. Potter is a missionary to the deaf.

The benediction was given by Mr. Buford T. Henderson.

Wall, Jr., Bethania Chapel; Ervin B. Hyde, Sr., Friendship; Robert Lattimore, Germanton; Jack Lanier, Leak Memorial; Howard Tucker, Olive Grove; Tom Lawrence, Mount Olive; Kenneth Hyde, Pinnacle; T. G. Downs, Dan River Mission; Kenneth R. Snyder; Oak Ridge; Dale Steele, associate pastor First Church, Winston-Salem; Jeff Roberts, minister of music and education, Northwest Church; Jim Smithwick, minister of education, Ardmore Church. Interim pastors: L. H. Hollingsworth, Center Grove; Robert Dyer, Colfax; Carlton Mitchell, Oaklawn.

The Moderator extended the right hand of fellowship to these new pastors and staff members and recognized all pastors and representatives of Baptist institutions in attendance. Miss Vergie Stroupe, Journal and Sentinel newspaper reporter, was introduced.

"THE INNER CITY MINISTRY"

Following the presentation of several choral selections by members of a workshop group under the direction of Fred Kelly, Dr. Paul Adkins, of the Department of Social Ministries of the Home Mission Board SBC, was introduced by Jack Noffsinger. Dr. Adkins related his address on "The Inner City Ministry" to the associational theme, "Christian Love in Action." He stated that in three decades ahead "Society will be more affluent, more leisurely, and more lonely." Ways suggested for reaching the people of this society were:

1. "We must stop looking for excuses, for weaknesses, for failures. All of us are part of the problem."

2. "We must see the total ministry of the Church as serving the whole city and/or Association . . . avoid competition . . . outsiders look for harmony among the churches . . . be unconcerned about who gets credit or glory . . . only to Christ the glory . . . metropolitan planning needed."

3. "Involvement on the part of the whole Church . . . to see people as persons . . . God is interested in whatever affects human life, so should the Church be . . . the hungry, the unemployed, the sick, distressed, lonely, aged,

orphans, the alcoholic, the drug addict, unwed mothers — these and others should call the Church to look well at old and present methods and programs to see if they are relevant."

4. "There is need of training in depth on how to become involved . . . So many church members are like soldiers who never leave their barracks."

With a period of silent prayer and the benediction by Dale Steele, the evening session adjourned, followed by refreshments and a display of helpful materials in Fellowship Hall.

Tuesday Morning Session

At 9:20 a.m. Tuesday, October 17, the second day's session of the Association began at Beck's Church with a prayer led by Moderator Cannon. Following the reading of Ephesians 3:13-19 and a solo by Fred Kelly, Dr. Randall Lolley delivered a sermon on "Christian Love in Action." (Later in the day the Association voted to have the sermon widely distributed because of its worth and timeliness. Copies were mailed to all persons receiving "The Pilot." Hence, no digest of it is included here.)

Under the orders of Miscellaneous Business and Report of Committees, the Clerk summarized activities of the General Board during the past year. Johnny Smith presented recommendations for changes in the Constitution for his committee, which were adopted. (Reports of various committees were furnished in mimeograph form to messengers to the Association and appear in condensed form on pages 15-28 of this Annual Report.)

Superintendent Ludlum served as moderator of a panel discussion during the closing hour of the morning session on "Our Churches in Cooperative Mission Action." He stated that there is new emphasis on metropolitan and rural missions, along with that of Foreign, Home, and State Missions. Participating in the panel presentation was Isaac Terrell, Public Relations Director for Children's Homes, who spoke of the need for establishing a home for unwed mothers, one for retarded and emotionally disturbed children, a new Western North Carolina Children's Home. He stated that the ministry of Children's Homes should be child centered, their activity church centered, and their spirit Christ centered.

Other participants in the panel discussed Student Work, Interracial Cooperation, Juvenile Rehabilitation, Baptist Hospital, and Mission Centers. (See section on Committee Reports.)

Announcement was made by host pastor David Boaz about arrangements for lunch. The morning session closed with prayer by Dr. James Bulman.

Tuesday Afternoon Session

The Moderator called the session to order at 1:00 p.m. Following the singing of a hymn, R. E. Adams led in prayer. Warren Carr, pastor of the Wake Forest Church, introduced Dr. James Ralph Scales, president of Wake Forest University, who addressed the Association on the "Assets of Wake Forest University." He stated that there had been too much talk of problems, then listed and discussed assets as follows:

ADDRESS BY PRESIDENT SCALES

(1) A Great Tradition — Wake Forest has long been a top flight institution committed to the pursuit of truth, developing through a long time the spirit of academic integrity. "Freedom of the mind is indispensable," he stated.

(2) Its alumni and people who believe in its mission are assets. Former students in the ministry, teachers, attorneys, physicians, businessmen and many others, men and women, were cited as assets.

(3) Wake Forest's location in this Association, in Forsyth County and Winston-Salem, is in every way an asset.

(4) The relation of the University to the Baptist State Convention is an asset. "We can unite on what we fight — ignorance, superstition, and crime." President Scales reminded his hearers that varied types of churches all require trained leadership which Wake Forest seeks to provide.

Moderator Cannon requested all former students of Wake Forest to rise. The number was considerable. The congregation was requested to stand and engage in silent prayer for the ministry of the University and its new president.

Lawrence Childs, Jr., Associate Secretary of Missions, directed a panel discussion on "Our Churches in Cooperative Leadership Training," assisted by a Northwest Baptist Church dramatic presentation called "Crossed Wires," and others. Pastor of Fellowship Church, Marvin Aycock, spoke of new methods of grouping people for study in Sunday school leadership training and enlargement. Joe Stroud of the Baptist State Convention staff presented ways of establishing, enlarging, and improving the music ministry in the churches. Fred Kelly called attention to work being done in the Association for the improvement of church music. Vernon Frank called attention to new things available to assist Training Unions in new member orientation and training. Dr. Nathan Brooks asked, "How Relevant Can a Training Union Be in a Baptist Church?" and gave some answers to the question.

The panel discussion continued with a statement by Mrs. Henry A. Whitaker that "Mission Action" has replaced in the WMU program what was known as "Community Missions," and that WMU will be working with Baptist men in Mission action. Buford T. Henderson reported that Brotherhood has a program for teaching missions to men, young men, and boys, seeking to enlist them in becoming involved in mission action. More and better materials are available for their use, he stated, adding that there are 45 Brotherhoods now in the Association. Mark Corts, chairman of the Committee on Evangelism, stated that his committee plans to explore the best ways for projecting ideas and methods of evangelism in the Association and in preparation for the 1969 Crusade of the Americas.

Reports were received from committees on Place and Preacher, Resolutions, and Memorials. These were adopted, as found in the section on Reports. The Moderator expressed thanks to the program committee, to messengers from the churches, and to the hosts of the Association for making the meeting an effective one.

The closing address was delivered by Dr. Nathan Brooks, representing the Division of Church Programs, N. C. Baptist Convention. He spoke briefly for the *Biblical Recorder* and the *N. C. Baptist Foundation* whose representatives could not be present. His address was on "The Cooperative Program at Work in North Carolina." He stated that what North Carolina Baptists do involves the rest of the world and that the Cooperative Program is a ministry to the ends of the earth. All churches were called upon to increase their gifts by at least 10 per cent because of lack of funds being received to meet urgent needs. Among these unmet needs the speaker mentioned the ministry to military personnel, Fruitland Institute, inter-city ministries because of rapidly changing conditions in the cities, and foreign countries such as Nigeria and the new emerging countries.

The session was closed with prayer, led by Talmadge Wall, to meet in 1968 with Ardmore Church for the night session and with the First Church, Kernersville, for the day session.

BOOK OF REPORTS

A Digest

SUNDAY SCHOOL REPORT

Planning for Sunday schol activities, 1966-67, began early by contacting churches in the Association relative to their needs. Six general conferences, featuring "participation — learning" sessions for every department of the Sunday school were programmed.

Three other special meetings during the year were workshop type, specializing in particular emphasis on training. Several meeting to prepare for a Sunday school revival were held. James Chatham, Nashville, and Paul Kesterson, Raleigh, presided and worked with Associational leadership in the promotion and enlistment. Approximately twenty churches will observe this revival-enlargement effort.

Vacation Bible schools gave an inspiring report this year. Quality teaching and leadership made these groups some of the best ever. Attendance reported was excellent. In group II with eleven churches, every church reported a Vacation Bible school. Our kindergarten consultant performed valuable services in the churches. Requests for assistance were filled along with many personal visits and conferences with kindergarten personnel in the local churches.

We express our sincere appreciation to our Convention personnel, our resourceful State Sunday school leadership, our Associational missionaries and staff, and our Associational Sunday school officers for helping to make all this possible. To the many churches for their assistance, use of facilities, help and promotion of meetings, our kindest appreciation.

Welcome new Sunday school workers, in the churches and in the Association. May the spirit which is prevalent be available to us as we pray and work together, that 1967-68 be a greater year for Christ, His churches and His ministry through us — worldwide.

Clyde Bristow, Superintendent

TRAINING UNION REPORT

Four specific tasks assigned to Training Union are these:

1. Teach systematic Theology, Christian ethics, Christian History, and Church Policy and Organization.
2. Give Orientation to New Church Members.
3. Train all church members to Worship, Witness, learn and minister daily.
4. Train leaders for the church and the denomination.

In the light of these specific tasks, we see three definite facets in training. The first is new member orientation, graded for Juniors, Intermediates, Young People and Adults. Secondly, church membership training, carried on each Sunday evening through Training Unions, and short term training for special groups. Third, Potential Leadership Training to train leaders for all of our program organizations.

Our special emphasis this year will be placed on Potential Leadership Training. Plans are now being made to organize a Leadership Training Class on the Associational level, with a leader to direct the work, and a teacher for each class. We plan to use the Specialized Training Course, "Training Workers for the Sunday School."

Age group leaders will be available throughout the year for churches desiring to organize new Training Unions, or give strength to already existing units.

Vernon Frank, Chairman

BROTHERHOOD REPORT

The Associational Brotherhood held two very successful Associational meetings during the year. The speaker for the annual meeting March 20 at Calvary Church was our State Secretary of Brotherhood, Mr. J. Edwin Bullock. The Annual Brotherhood Workshop was held at Mineral Springs Churhc on October 13, with five different conferences led by Brotherhood specialists from across the State. Both meetings were well attended.

The Associational Brotherhood Council has met on each first Thursday night of each quarter of the year at the associational office for reports, evaluation of the work of Brotherhood and to plan for future work.

Several churches in the association, without Brotherhoods, have been visited during the year by members of the Brotherhood Council and at least two new Brotherhoods have been organized.

Brotherhood is a church program designed to provide missionary education and mission involvement for all men, young men, and boys. With Brotherhood and Woman's Missionary Union a church can provide missionary education for all of its members. If a church does not provide missionary education for its men, young men, and boys, it can have but little hope that they will become involved in missions.

Any church, large or small, may have a Brotherhood program. A church may elect only a Director of Brotherhood or a Leader of Baptist Men and have Brotherhood. The better plan is to organize the three units — Baptist Men, Baptist Young Men and Royal Ambassadors.

All general officers of the Associational Brotherhood stand ready to be of help in organizing new Brotherhoods in churches or in visiting existing organizations and in giving advice and counsel. We would like to be called upon to do this.

Buford T. Henderson, Director of Brotherhood.

WOMAN'S MISSIONARY UNION

The primary tasks of Woman's Missionary Union are to teach missions, lead persons to participate in missions, provide organization and leadership for special mission projects of the local church and the denomination. In our Association WMU's program of mission study, mission action, stewardship and prayer is offered to all age levels of women and girls through 341 organizations of 6,517 members.

Activities of the Associational organization during the past year included planning and/or participating in the President's Banquet, a Leadership Conference, a Mission Study Institute, a Women's Day of Prayer, a Week of Prayer for Foreign Missions and the Lottie Moon Christmas Offering, a Week of Prayer for Home Missions and the Annie Armstrong Offering, a Mission Study Institute, serving as hostess for the State WMU Convention, the Annual Meeting of the Associational WMU, the Heck-Jones Offering, the State Mission Offering, an Associational Mission Study Class, and a Leadership Conference.

The Associational Annual WMU Meeting was held in the morning at Calvary Church and in the evening at Mineral Springs. Speakers included the Rev. Maurice Briggs, Juvenile Rehabilitation Director for the Association; the Rev. William Poole, General Superintendent of Homes for the Aging; Miss Ellen Pollock, Acting Director of Patterson Avenue Mission; Mrs. Elizabeth Barnett, Guidance Counsellor at Wiley Junior High School; Mrs. Jim Gilley of Northwest Baptist Church; the Rev. Julius Imosum of Nigeria, student at Wake Forest University; and the Rev. Howard T. Ford, Director of Missions, N. C. Baptist State Convention.

"Teach Me Thy Way" and "Helping the Church Fulfill Its Missions" were the major emphases of the program. Special music was rendered by the Rev. Lawrence Childs, Associate Superintendent of Missions of the Association, and a Trio from Beck's Church.

Mrs. Henry A. Whitaker, WMU President

LIBRARY REPORT

The Associational Library organization is proud of the progress made this past year. Four new libraries have been added to the thirty-two already established. They are Immanuel, Vienna, King, and College Park. In response to requests, the library committee visited and supplied material to help these churches organize libraries.

Many new things are taking place in our churches today and especially in library work. One of them being the C.A.V.E. Plan being promoted by the library organization. At our April meeting we had Mr. James Coleman from Charlotte who explained this plan to us in detail. With this information we were able to press upon the churches the need for the C.A.V.E. Plan.

There is still much work to be done in order to reach each church in the Association. I rejoice in answered prayers as more churches are starting libraries. As we seek to enlarge our library work we seek your prayers. We look forward with prayer to do greater things for Christ and His Church through the reading of good books.

Mrs. James Brown, Chairman

ORDINATIONS COMMITTEE REPORT

The Committee on Ordinations has had six requests of our churches asking that we confer with prospects for ordination.

We held conferences with Howard Tucker of Brim's Grove Church, Marshall Price, Rodney Byard, Fred Kelly of First Baptist, Winston-Salem, Jim Smithwick of Ardmore Church and Jeff Roberts of Northwest Church.

The Committee was unanimous in its opinion that these men were worthy and well qualified for ordination and so advised their churches.

Richard K. Redwine, Chairman

REPORT OF SUPERINTENDENT OF MISSIONS

In May of 1966 the Associational Executive Committee approved the following recommendations coming from the Personnel Study Committee: "To hire a staff member with general supervision of Associational administration and general qualifications of education and training so as to accept responsibility in mission centers; good will centers; church week-day activities; juvenile rehabilitation; rehabilitation of alcoholics, drug addicts, prisoners, etc.; literacy work; social service work etc."

In this report I hope to set forth information which tends to indicate a measure of success in implementing this policy. Much of this information will be given in sub-committee reports, but there will be some advantages in having these achievements summarized together.

Our long range program of purchasing land for new churches has had another successful year: 7 churches designated funds for this year's payment of $5,300.00 on the Salem Woods-Ramara Road lot; 19 Churches helped with the payment of $6,800.00 on the Rural Hall-Bethania Road lot.

The Alcohol Studies Committee joined the Christian Life Committee in initiating a movement to provide a local detoxification center for alcoholics and hopefully within the not too distant future a Rehabilitation Center for alcoholics somewhere within the Piedmont Triad.

The Research and Special Projects Sub-Committee of the Missions Committee adopted as their major project for the year acquainting some of our church leaders with Christian service opportunities in cooperation with some of our social agencies. Mr. Robert Law, Director of Volunteer Services of the local Experiment in Self-Reliance, has worked closely with us as we have tried to relate our church leaders to people who need us.

Our ministry at Patterson Avenue Mission Center was greatly strengthened during the summer months primarily because a N. C. Student LISTEN team (Love impels toward every need) lived at the center and served very effectively in the community.

In May the Missions Committee finished a population study of Forsyth County by census tracts. We were assisted in this by the Survey and Special studies department of the Baptist Home Mission Board. A chart was produced identifying 21 population characteristics of each of the 48 census tracts. These facts should help churches to adapt their church programs to needs of people in their respective communities.

In May the Executive Committee, upon recommendation of the Missions Committee, voted to "provide a method of direct communication between our churches and the Volunteer Service Department of the ESR and encourage churches in areas of a minimum degree of poverty to agree to establish a service or fellowship fund in next year's church budget and agree that at least 50% of it will be madc available for people in emergency need that are certified by Rev. Ken Burnette of the Model Community."

This will enable many of our suburban and rural churches to have an effective part in helping to relieve poverty in the inner city and low income housing project areas.

Lewis E. Ludlum, Superintendent of Missions

REPORT OF MISSIONS COMMITTEE CHURCH SITES SUB-COMMITTEES

In 1961, a group of churches on the east side of our association purchased a five acre church site on Hastings Hill Road, adjacent to I-40 Expressway. Over a period of three years annual payments on the land were made with designated funds from the following churches, plus an amount each year from the association's new work fund: Oaklawn, Union Cross, First-Winston, First-Kernersville, Konnoak, Glenn View, Sprague Street and Union Grove.

In 1963 the Associational Policy and Study Committee recommended that the following statement be adopted as a guiding policy in the purchase of church sites: "The Associational Missions Committee should take a long-range view of the work and seek to provide property for anticipated future needs, even the distant future. This will necessitate study of population and residential trends, so that the most favorable property may be acquired at the most favorable price long before consumer demands would make this impossible." Soon after this two other church sites were purchased in fast growing and strategic areas by the same method that was used with the Hastings Hill Road lot.

RAMARA ROAD LOT

In 1964 a four acre lot was purchased just off the Jonestown Road and adjacent to I-40 Expressway, Salem Wood and Westbrook Real Estate Development, by a group of neighboring churches. The first annual payment was provided by a group of neighboring churches and an appropriation from the new work fund. Later a policy was adopted encouraging all of our 81 churches to provide designated funds for one of our five Mission projects (Ramara Road, Hastings Hill Road, Bethania Road, Rock Hill and Dan River Missions).

The fourth of five annual payments was made August 1st of this year. The following churches have contributed designated funds for annual payments on this site: Ardmore, Knollwood, Hanes, Antioch, Clemmons, Peace Haven, Calvary, Union Hill, Union Cross, Southside and Lewisville.

Ardmore Church voted two years ago to be the sponsoring church and have engaged the services of our denominational church Architectural Department to help develop building plans.

BETHANIA CHAPEL

In 1965 a choice church site was purchased on highway 65 midway between Rural Hall and Bethania and at the junction of Murray Road.

The second of five annual payments was made on August 1st of this year, by the plan used for the other two church sites. The following churches have contributed funds for this project: Brim's Grove, College Park, Forest Hill, 1st-King, Pinnacle, Immanuel, Bethany, Union Grove, Ardmore, 1st-Winston, Rural Hall, Waughtown, Old Town, Macedonia, Union Cross, Lewisville, Vienna, Unity, New Hope, Olive Grove, Wake Forest, 1st-Pilot Mountain and Stanleyville.

Early in 1967 Mineral Springs Church voted to become the sponsoring church. Rev. Talmadge Wall, Jr., was called as Mission pastor. For the past 15 months the mission has been meeting regularly in the home of one of their members. Construction drawings have been developed for their first building and construction will proceed as soon as a loan is procured. Prospects for the future are excellent.

DAN RIVER MISSION REPORT

With the helpful assistance of dedicated leadership from men and women, Dan River Mission has made notable gains this past year. The present pastor, T. G. Downs, is giving as much available time as he can to help in this worthy mission outpost. Worship services are held on Sunday mornings and evenings. The mission is proud of a Sunday school enrollment of 61 and an average attendance of 30. There have been three persons making professions of faith, two of which have been baptized.

A Vacation Bible School was held with an enrollment of 88. During the year a much needed bus was purchased and put into operation. This should easily prove its worth as it increases the potential outreach of the mission.

The following churches have provided financial assistance: Quaker Gap, Mount Olive, Oak Grove, Germanton, Oak Ridge, Walnut Cove, and Friendship.

Robert Ayers, Chairman

REPORT OF THE JUVENILE REHABILITATION COMMITTEE

It is the purpose of this phase of ministry to bring about more redemptive efforts toward youth and families in their time of personal crisis. Assistance is offered to local churches in the enormous task of preventing delinquency and crime, as well as ministering to those actually in the midst of serious trouble.

Last November over 150 persons from 35 churches attended a conference on "Meeting the needs of Youth in Trouble." Persons representing the Christian home, the church, the juvenile court, school system and law enforcement discussed the issues with those present. It was decided to have future conferences in various parts of the Association designed to be of specific help and to provide more time for discussion with resource persons.

In January, 1967 small groups of laity began going to Forsyth Youth Center each Saturday night to provide personal conversation, refreshments and entertainment in the name of Christ. Since then almost a dozen churches and fifty lay persons have been involved in this outreach. This will be a continuing opportunity for us.

Sometime in March a weight-lifting club was started at Patterson Avenue Mission. An outstanding Christian student at Wake Forest accompanied the Director of Juvenile Rehabilitation in this weekly outreach. Emphasis was on providing personal contact and conversation with boys who might not otherwise come together on a regular basis.

Summer is a time for camp, and arrangements were made for three churches to provide a way for 3 boys to attend Camp CaRAway for a week. The men in these churches responded readily to the need, and a much larger camp experience is being planned for next year.

At the time of writing this report we have received a total of 47 different referrals; some of whom the Director is still working with and some of whom were terminated into the care of a local church.

During the year visible results indicate 5 professions of faith and 6 rededications, and 10 others who came to no outward spiritual decision, but who came through a critical point in their lives more successfully than if no helping hand were there.

Encouraging items include (1) a number of men and women who have indicated their willingness to serve as the first sponsors, and are awaiting the training sessions before assignment to a youth; (2) the active interest of pastors and staff members in the potential of this ministry; (3) the gift of $25.00 per month by one of our churches to be used by this committee (over and above their other mission gifts); (4) the obvious appreciation of and cooperation with our effort on the part of persons serving in the other helping professions in Forsyth and Stokes Counties.

Maurice Briggs, Director

COMMITTEE: George Shore, Chairman; Mrs. Eugene Ryder, Frank Raymond, Jimmy Underwood, Ronald Rice and Wilson Norwood.

CHRISTIAN LIFE COMMITTEE REPORT

Our Committee has met each quarter this year. We invited the following to serve as ex-officio members of our Committee, to meet with and advise us: Rev. George Shore and Rev. Maurice Briggs, Juvenile Rehabilitation, Rev. George Colgin, Interracial Committee, Rev. Walter Stanley, Mission Center, Rev. Lewis Ludlum, Associational Superintendent, Rev. Lawrence Childs, Assoc. Associational Superintendent, Rev. Ralph Cannon, Moderator, and Rev. Ray Benfield, Executive Com.

These along with others have proven invaluable to us and have assisted immensely in our efforts. Much study has been given to the problems of alcoholics, youth delinquency, drop outs, questionable advertisements, illicit literature and magazines, and other areas.

An alcoholic rehabilitation conference was planned. We met at the Centenary Methodist Church with 40 people present representing almost every area of our city-county government and civic institutions of our community, as well as church representatives of various denominations.

It is the desire of your Christian Life Committee to continue working with the Christian Life Commission of the Southern Baptist Convention, the Christian Life Committee of the Baptist State Convention, as well as the local churches in helping to find ways and means to emphasize the whole field of applied christianity.

Troy Hamrick, Chairman; Mrs. Wilson Norwood, Secretary; Rev. Mark Corts, Dr. Jack Noffsinger, Mr. Jack Stallings, Mrs. Ray Benfield, and Mrs. Worth Gentry.

EVANGELISM REPORT

These are days of wide differences of opinion about Evangelism . . . differences about what Evangelism is, and more especially, differences as to methods of Evangelism.

The individual church has made and will continue to make the decisions on Evangelism at the local church level, but there will always be a need for a united front in Evangelism, the most important work of our Lord's Church.

It is readily recognized that Evangelism to be effective must be interwoven into the fibers of every educational and organizational function of the church. The problem today is can we leave Evangelism at this point to be carried on effectively. Is it not true that Evangelism needs her own seat around the planning table of any church, association, or state, and that her voice needs to be heard above the clamor of organizational machinery? Is it not true that a perennial, planned church effort is necessary for Evangelism to be effective in a given community?

Since the methods of Evangelism are many and the approaches to Evangelism are varied, cooperation between churches in some mass revival calls for a special effort. Nonetheless, our major need is for the local church to be using some approach, some method, some techniques to reach people for Christ. The hope for the church in the future is in the salvation of the lost today . . . if we succeed here, all else can follow — if we fail here, nothing else matters.

Wm. Foy Martin, Chairman; Mark Corts, J. W. Angell, Wm. H. Edwards, W. E. Pettit, Marvin Aycock, Jr.

CAMP RETREAT COMMITTEE REPORT

Because of a lack of facilities there was no camping at Camp Retreat during the past summer. However, our Associational Office furnished information about and emphasized the importance of our boys and girls attending our State Camps, and a number of them from various churches did so. Several camperships were provided by individuals and churches which enabled some to attend who otherwise would not have had the opportunity. To these we express our deep appreciation.

Concerning the future plans for Camp Retreat, upon the completion and presentation of Mr. Charles C. Stott's survey, and because of the magnitude of the physical outlay which he suggested in his plans, it was felt that the whole matter should be referred to the Associational Survey and Planning Committee. This was done and the Committee has given much time and prayful consideration to this matter during the year. As a result the Committee has made the following recommendation:

LONG RANGE PLANNING COMMITTEE RECOMMENDATION: "We recommend that a special committee on Camp Retreat be appointed for next year by the Moderator in consultation with the Executive Committee of the Association. This committee should include key lay persons of keen business ability and vision. They should be charged with the responsibility of finding possible capital outlay and recommending the future development of Camp Retreat."

Henry Crouch, Chairman; J. M. Johnson, David C. Boaz, Dr. W. K. McGee, Jesse M. Head, Roy S. Liner, Ray W. Benfield, Mrs. C. E. Hartgrove, Dr. Carlton Mitchell and S. N. Gibson.

It is the feeling of your Camp Committee that our Association should make every possible effort to provide adequate camping facilities for the boys and girls, who if deprived of such opportunity will miss the joys and blessings which can come only through a camping experience.

J. M. Johnson, Chairman

*COOPERATIVE PROGRAM COMMITTEE REPORT

Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925 many do not know what this plan is. The question — What is the Cooperative Program? — is often heard.

The answer is simple. What the budget is to the local church the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad — it's preaching the gospel — it's healing in the name of Jesus through hospitals and clinics everywhere — it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program we enter into partnership with God and one another in obedience to the command, "Go . . . preach . . . teach . . .!"

Let us resolve to pray earnestly for all Kingdom work and support our prayers with sacrificial giving of self and substance.

Last year North Carolina Baptists gave $5,787,311 through the Cooperative Program. Supplementing this with Special Offerings amounting to $2,897,639, we had a total of $8,684,950 for all mission causes! Two associations (Anson and Yates) had 100% of their churches giving through the Cooperative Program.

According to records available our association gave $291,513.00 during the last year for World Missions through the Cooperative Program.

We suggest:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.

(2) That special emphasis be given to prayer for Cooperative Program causes during October.

(3) That each church give regularly through the Cooperative Program.

(4) That in response to the special call of the General Board of the Baptist State Convention we increase our Cooperative Program giving by at least 10% during the coming year.

T. W. Estes, Chairman; Mrs. Betty Bowman, Mrs. Ed Collette, Reginald Stroupe, H. C. Porter, Ray Pollard, Arthur L. Reid, E. L. Holder, Jack B. Brown, Mrs. B. T. Henderson.

*NOTE

No separate reports are given here of the several agencies and institutions which are supported in part by the Cooperative Program offerings of the churches. These include the varied programs of State, Home, and Foreign Mission Boards; the seven North Carolina Baptist colleges; the North Carolina Baptist Children's Homes; the North Carolina Baptist Homes for the Aging; the North Carolina Baptist Hospital; the six Southern Baptist Convention seminaries. Detailed information about these is contained in annuals of the Baptist State and Southern Baptist Conventions. From the same sources may be found information about Biblical Recorder, Charity & Children, N. C. Baptist Foundation, Baptist Sunday School Board, and Annuity Board, all of them agencies of and cooperating with North Carolina and Southern Baptist Conventions.

REPORT OF COMMITTEE ON RESOLUTIONS

We recommend that our Association express deep appreciation to the following:

The First Baptist Church of Winston-Salem and its pastor, Randall Lolley, Becks Baptist Church and its pastor, David Boaz, for their hospitality as gracious hosts of the Association . . .

The officers of the Association, especially our Moderator, Ralph Cannon, and our Clerk, Eugene Olive, for a demanding job well done . . .

The Committee on Order of Business and its Chairman, Jack Noffsinger, for the inspiring and informative program . . .

The program personalities and special music groups . . .

The news media, especially Miss Vertie Stroup, for the fine coverage given to the sessions of the Association . . .

Lewis Ludlum and the Associational Staff for the continuing progressive leadership given to the Pilot Mountain Association . . .

All churches, leaders, and messengers to the Association for their loyalty in the support of the cause of Christ throughout the Pilot Mountain Baptist Association.

Paul Ross, Chairman

REPORT OF PLACE AND PREACHER COMMITTEE

Your Committee recommends that the 1968 session of the Association be held in the Ardmore Church the evening of the first day and that the sessions of the second day be held with the First Church, Kernersville.

Since the Committee's choice of the preacher would mark a departure from tradition, such recommendation will be given to the Committee on Order of Business for their consideration.

William H. Edwards, Chairman
Amis Daniel
Walter Stanley

REPORT OF COMMITTEE ON MEMORIALS

It is most fitting for the messengers of our Association to pause for a brief moment to commemorate the passing of our fellow Baptists this year from their earthly homes to their home not made with hands, "eternal in the heavens."

The Bible tells us that death is God's appointment for all men. Accordingly, death is inevitable, and our Lord reminds us that the most important thing is to be ready when it comes. Even so, a Christian need not fear death. The Psalmist tells why: "Yea, though I walk through the valley and shadow of death, I will fear no evil: for thou art with me; they rod and thy staff they comfort me." And Jesus said: "I am the resurrection, and the life: he that liveth and believeth in me, though he were dead, yet shall he live: — And whosoever liveth and believeth in me shall never die."

Probably the darkest hour for the followers of Jesus came when He told them that He would soon be put to death on a cross, and the responsibility of continuing His mission for the redemption of a lost world would be theirs to execute. But He comforted them with: "Let not your heart be troubled: ye believe in God, believe also in me —. In my Father's house are many mansions —. I go to prepare a place for you —. I will come again to receive you unto myself."

So today, as we think of the passing of our fellow Baptists during the past year, may we resolve not to let our hearts be troubled, neither let them be afraid, because we believe in God as our Father, and in Jesus His Son and our Savior, and we trust the Holy Spirit as our guide and helper. Thus believing, let us continue to press toward the mark for the prize of the high calling of God in Christ Jesus.

Vernon Sparrow reported for the Children's Home, noting progress and mentioning in particular that 1200 children are now being cared for at the various homes and that over $19,000.00 was contributed to this work by this Association last year.

W. K. McGee reported on the change in policy of the Baptist Hospital in regard to charity patients; stressing that there is no intention of discontinuing charity work but that the hospital must govern its service in accordance with the funds available for this purpose, and that, therefore, the Mothers' Day Offering is now more important than ever.

William Poole, representing the Homes for the Aging, reported progress last year especially in that the 28th additional residence was taken in and special offerings exceeded $120,000.00.

Following a congregational hymn, Warren Carr introduced the Honorable Brooks Hays, describing him as a "gentle radical" at a time when radical measures are needed.

Hays' address came after special music by a quartet of choir directors from different churches cooperating with the Association. The former Arkansas congressman represented his religion as one of a particular social concern and as not dogmatic. He said there must be openings in the wall of separation between church and state, and that we should listen to Jewish and Roman Catholic leaders. Certain political issues were said to involve religious considerations.

Following prayer by R. K. Redwine, the meeting adjourned.

Tuesday Morning Meeting

First Baptist Church, Kernersville

The meeting was called to order by Moderator Cannon. Following congregational singing, Mark Corts led in prayer and read Scripture, and then preached on the subject of evangelism, which was defined as involving both social service and doctrinal proclamation. A new emphasis on the mystical in Christianity was said to be needed: as against the fad for drugs and oriental religion, our churches should give more place to prayer and the guidance of the Spirit.

Following announcements by Amis Daniel concerning the facilities of the place of meeting, J. R. Noffsinger introduced Tom Totten, new in the Association and now to help with the Crusade of Americas. Lewis Ludlum introduced his staff, and these new pastors: George Hoose, Howard Dawkins, and Walter Turner.

At a time when miscellaneous announcements were made, T. W. Estes moved that Town Fork Church be received under the watchcare of the fellowship of the Association; this was adopted.

Anthony Clingenburg was recognized as a guest and talked concerning his work.

Following congregational singing, the committee reports as presented by these persons were adopted: Jimmy Underwood, Nominating Committee; Roy Garrison, Finance; Mrs. Norma Lewis, Treasurer; Ray Pollard, Committee on Committees.

There was another congregational hymn. After Lewis Ludlum announced Ray Pollard's election to the State Board, approval was given to Ludlum's motion that the clerk communicate with Brothers Keaton and Davenport, retired pastors, and Mrs. Hartgrove, assuring them of our good wishes.

Guy Cain gave the Annuity Board Report, which was adopted. He documented the proposition that present economic conditions dictate that all of our pastors need both Social Security and the Southern Baptist Protection Program for retirement and family needs.

James Bulman's report for the Associational Board, which was approved, discussed the structure of the Association in terms of voluntary cooperation.

The Camp Retreat Report was introduced by J. M. Johnson and continued by Wilson Norwood. Then Ray Benfield submitted this proposal: (1) That we adopt the Stott Plan, providing for 200 campers at a cost of $325,000.00; (2) That we begin with minimum facilities for 50 campers; (3) That we adopt the arrangements and schedule suggested by M. H. Garrity; (4) That the cost of the fund-raising campaign come out of existing funds. Upon motion by J. M. Johnson to adopt this proposal as thus presented, there was discussion, in which the point was clarified that construction is to begin and continue as funds are available for so doing. The proposal was approved unanimously.

Lewis Ludlum gave background information for the report on local mission work.

Manley Bennett announced arrangements for the lunch. The morning meeting was closed with prayer by Walter Stanley.

Tuesday Afternoon Meeting

The Moderator called the meeting to order. There was congregational singing, led by Denny Turner, and Scripture reading and prayer by host pastor Amis Daniel.

Ludlum presided over the panel discussion on "Our Association, The State Convention, and the Home Mission Board Partners in Local Missions." Ray Benfield introduced Roy Hood, who related that those with whom he and his wife had talked in the Patterson Avenue Mission area were unresponsive to the gospel until their physical needs were met. He said that unless we have Negroes in our churches we are cheating ourselves. Maurice Briggs disclosed that he worked with the Hoods closely in an effort to be relevant and meaningful. T. W. Estes explained the purchase of lots for new mission work; saying that most such lots have been paid for; that the State Convention has helped; and that with the cooperation of the sponsoring church (Mineral Springs), The Association and State Convention, Bethania Chapel has been developed. He introduced Brother Willis, who is working at Dan River Mission. W. T. Hendrix explained that our Association elects an Interracial Committee, which, with a group selected by the Negroes, seeks to carry on a certain work in promotion of good race relations.

Approval was given to the recommendation of the Place and Preacher Committee, as presented by Kenneth Snyder, that: (1) the Association do away with this committee; (2) assign the work of this committee to the Order of Business Committee; (3) Request the Constitution Committee to make the necessary constitutional changes for this adjustment.

The Moderator introduced James Hayes as the one who started the Home for the Aging. The congregation sang a hymn.

Millard Brown, of Campbell College, spoke on "The Rural Church in Our Baptist Life." He said a strong rural ministry is needed because: the birth-rate is highest in the rural area, thus providing the church there with a special opportunity; so many young people in the rural area later move into the cities; a large part of the social participation of rural people is through the church.

Approval was given to this report of the Committee on Resolutions, as presented by Hammet Riner:

That our Association express deep appreciation to the following:

The First Baptist Church of Winston-Salem and its pastor, Randall Lolley, First Baptist Church, Kernersville and its pastor, Amis Daniel for their hospitality as gracious hosts of the Association . . .

The officers of the Association, especially our Moderator, Ralph Cannon, and our Clerk, Dr. James Bulman, for a demanding job well done . . .

The Committee on Order of Business for the inspiring and informative program . . .

The program, personalities and special music groups . . .

The news media, especially Miss Vertie Stroup, for the fine coverage given to the sessions of the Association . . .

Lewis Ludlum and the Associational Staff for the continuing progressive leadership given to the Pilot Mountain Association . . .

All churches, leaders, and messengers to the Association for their loyalty in the support of the cause of Christ throughout the Pilot Mountain Baptist Association.

After remarks by C. E. Crawford as to how we should take courage because of those who have gone on before, the congregation stood in silent prayer in tribute to the deceased church members of the past year.

Ralph Cannon, after acknowledging help from Walter Stanley and Lewis Ludlum, turned the gaval over to W. T. Hendrix. The new Moderator made brief remarks as to the tasks ahead and our opportunities. The session adjourned after prayer by W. S. Hopkins.

BOOK OF REPORTS

SUNDAY SCHOOL REPORT

Beginning with a workshop for adult workers in the Sunday School at Crestwood Baptist Church, in the new Sunday School year, then with two other age group clinics in two other churches, for all age group workers and ending with a Central Training School, First Baptist, our Association experienced a good year. More than five hundred were enrolled in these training-learning sessions. Many others were enrolld in one hour clinics in churches, held at their convenience.

With the availability of Associational, State and approved workers, we were well able to meet the needs of individual workers in the Sunday School.

Special clinics for individual churches were planned and presented as help requested. One inspirational rally was held during the summer months in a local park. Youths from the "Good News" team were featured along with personnel from the Sunday School and Training Union Departments.

Reports from Vacation Bible School were very good, indicating two standard schools and ninety-four professions of faith.

We visited in eleven churches during the year. One hour conferences for one or more nights were featured. Materials for the particular emphasis were furnished.

As we plan a continuance of our Bible teaching, people reaching and training program in this Association, we will begin the new year with a project: A teaching clinic for January Bible Study Leaders, at Mineral Springs. Three teaching-learning clinics will be featured in local churches during the year. With the emphasis on Bible teaching and Christians Accepting Responsibility, we pray for a greater learning situation.

We have great admiration and thanksgiving for our Associational Sunday School workers, the staff in the office here and especially for those in our State Offices; for the wonderful assistance at any time, and for the many materials furnished during the year.

The prayers of all are solicited as we face this new year that we all may be more efficient and dedicated to the cause of Christ.

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union is entrusted with a vital role in World Missions, and having recognized this important role, this Union seeks to help the Church fulfil its mission. Woman's Missionary Union has four basic tasks to implement in the life of a church; namely, to Teach Missions, lead persons to participate in missions, conduct special missions projects and provide and interpret information regarding the work of the church and the denomination. This is carried out through a program of Mission Study, Mission Action, Stewardship and Prayer.

The organization of Woman's Missionary Union in Pilot Mountain Association includes all age levels of women and girls with a total of 349 organizations and an enrollment of 6,710 members.

Activities of the Associational organization during the past year included quarterly meetings for Girl's Auxiliary and Young Woman's Auxiliary. In addition, a three-day camp was held for junior girls of Girl's Auxiliary at Camp Susan Barbour Jones on Brown Mountain under the direction of Rev. Coye Still with Rev. Robert Lattimore serving as Camp Pastor and Miss Marian Phillips serving as Camp Missionary. A World Friends Day Camp was held with Mrs. Luther Morphis serving as Camp Missionary.

Two Leadership Training Courses were held during the year for all age level leaders as well as a Leadership Conference. Home and Foreign Mission Study Institutes were held for all organizations and the Weeks of Prayer for Home and Foreign Missions were observed. The Lottie Moon Christmas Offering and Annie Armstrong Offering were promoted.

Baptist Women's Day of Prayer was observed at a morning and evening session at Peace Haven Baptist Church on November 6. Baptist women from our Negro Baptist churches shared this observance.

The Associational Annual WMU Meeting was held on April 23, the morning session at Northwest Baptist Church and the evening session at Forsyth Park Baptist Church. The speaker for both sessions was Mrs. Hoyle G. Allred, Director of Child Development of Flint Groves Church in Gastonia, N. C. and a former Community Missions Chairman for North Carolina WMU. The theme of the meetings was "Love Demands My All." Rev. W. T. Hendrix gave the devotional at the morning session and Rev. Lawrence Childs, Sr., presented the devotional of the Evening session, both using the theme "Love's Demands" as their topic. Rev. L. Childs Jr. and Rev. Jeff Roberts presented special music at these sessions.

Another feature of the meeting was the presentation of the new WMU organization structure by Mrs. W. K. McGee, State Prayer Chairman.

An Association Mission Study Class was held at College Park Baptist Church. Mrs. A. W. Greenlaw reviewed the book, "Spiritual Life Development."

Mrs. Henry Whitaker

Denny L. Turner, Becks Church

Richard K. Redwine

JUVENILE REHABILITATION REPORT

It is the purpose of this phase of ministry to bring about more redemptive efforts toward youth and families in their time of personal crisis. Assistance is offered to local churches as we attempt to prevent delinquency and crime, as well as minister to those actually in the midst of trouble.

Two association-wide conferences were held this year; one in the Fall on parent-child communication, and one in the Spring on discipline in the home. These meetings at Mineral Springs and King Baptist Churches were highly praised by those who attended.

Last Christmas we originated a new approach to helping youth in State correctional schools. "Operation Christmas" made it possible for parents to visit their youngster as men from our churches volunteered to drive cars. It was so well received by correctional staff, parents and youth that we now arrange quarterly trips for parents who could not otherwise visit their children.

Forsyth Youth Center has received personal fellowship each Saturday night during the past year by persons from our churches. Also, a Vacation Bible School was held in August for the first time. Weekly visits to the Center by Mr. Briggs on Wednesdays as Chaplain, and other practical help by churches has been successful (such as providing clothes, refreshments and T. V. repair).

Camping again entered the summer scene, as individuals provided scholarships for youth on probation to attend Christian Camps.

Last Spring a group of men from South Fork received training for sponsorship. Participating in this were staff representatives from Forsyth County School System and the Juvenile Court. These will be assigned to selected youth who could be helped by them.

The weight-lifting club at the Mission continues to function, after a "lay-off" of several months. Local business men have been very helpful in assisting youth with a chance to do meaningful work.

Cooperative efforts with the Juvenile Court to establish opportunities for odd jobs around the house, provided by people in the churches, did not turn out well, and needs improvement.

Some figures of interest indicate that there were 8 decisions for Christ, 50 referals from various agencies and churches, 40 court sessions attended, and 127 conferences with youth.

Since last June a regular, twice a week chaplain ministry has been in process at the Forsyth County Jail. Part of this is made possible by a Chaplain-Intern at Baptist Hospital who concentrates on the older adolescent, under supervision of Mr. Briggs, Director of Juvenile Rehabilitation.

ROCK HILL MISSION REPORT

Our primary concern was and is to get a greater number of people interested and actively involved in the ever increasing need to help our fellow Christians. This task has been accomplished in a small way in that a full time pastor has taken charge of the work, that 13 professions of faith were made during Vacation Bible School, that both Sunday School and Worship Service attendance have greatly increased.

Although progress is being made, our goal is to witness to every unsaved person and family in the area, to install some new projects that are not being used that will stimulate and motivate more people to a greater desire and responsibility.

Some part of the accomplishment has been achieved through individual efforts, some through group efforts, however, a substantial spiritual and financial contribution has been made by our Association and the State Convention.

BETHANIA CHAPEL REPORT

The Bethania Chapel Sub-Committee of the Missions Committee is composed of Reverend Hammet Riner, Mr. Glenn Money, and Mr. Shirley Bennett. These men tackled the job of raising this year's annual payment on the lot located at the corner of Murray Road and Highway 65. The annual payment is $6,500.00, including interest.

If the payment is made in full this year (August 1, 1968) the balance will be $4,000.00 plus interest.

The Bethania Chapel congregation has completed its first unit of their building program. On September 8, 1968, a large group of people from the community and others from the Pilot Mountain Association gathered for the dedication service.

Twenty congregations have contributed toward the payment of the lot. It is hoped that these will stand by the work until the final payment is made. It is strongly hoped that others would see the need of sharing their wealth toward this growing and energetic congregation.

DAN RIVER MISSION REPORT

This has been another one of those trying years for the mission, and it has often appeared that we were hitting our heads against a brick wall. There have been times of discouragement and financial strain, but somehow we have held on to a vision of need and potential that exist around Danbury, North Carolina.

Currently, the mission is without a pastor but hopes this position will be filled soon. Presently, we are receiving encouragement and a renewed challenge from laymen and the pastor of Calvary Baptist Church, Winston-Salem, North Carolina. All are in agreement that a full-time pastor living in the community would be one of the biggest steps and most important steps that we could and need to take. If ever there was a need for our people to see over 2,200 unchurched people living in a radius of four miles of Dan River Mission, **it is now.** For our people to join hearts in prayer that these will be won to Jesus Christ, **it must be now.** The vision **can be ours now** — to see hundreds brought into the fellowship of Christ and His Church. We invite your encouragement and request your prayers that needs in Danbury will be met now.

We are indebted to the Baptist State Convention of North Carolina for pastoral assistance given this year and to all contributing churches — Oak Grove, Mount Olive, Oak Ridge, Germanton, Quaker Gap. We especially thank our Superintendent of Missions and Rev. Lawrence Childs for their support. And surely we are grateful for Mr. Jack Smith and Mr. Dixon Mabe who demonstrate their conviction in this work by their unwavering faithfulness and continue to be a source of inspiration to all who work with them.

COOPERATIVE PROGRAM STEWARDSHIP REPORT

The Cooperative Program Stewardship Committee met in February, 1968 in the Pilot Mountain Baptist Associational Office and made plans for our Associational Stewardship Promotion.

Stewardship Conferences were conducted June 24-25, at Crestwood Baptist Church and at the Quaker Gap Community House in Stokes County. Stewardship materials for 1968-69 were presented and discussed, with an emphasis being placed on the Forward Program of Christian Stewardship. Time was alloted in both conferences for the presentation and discussion of the three retirement benefits now being offered through the Annuity Board of the Southern Baptist Convention. Many of our pastors are enrolled in the basic protection plan, however the two supplementary annuity plans (tax sheltered) which are relatively new was presented to enlighten both pastors and laymen of the opportunities.

Rev. Guy Cain, Secretary of the Annuity Department and Rev. Tom Greene, Secretary of the Stewardship Development Department were with us for both conferences. The attendance for each conference was very small and there remains a great need of finding a way to reach the pastors and churches of our Association relative to their Stewardship program and of their responding to our Cooperative program in a greater way.

PIONEER MISSIONS IN THE STEEL VALLEY BAPTIST ASSOCIATION
YOUNGSTOWN, OHIO

Local interest in Pioneer Missions goes back to 1961, when a few of our churches helped support Rev. Roy Young, who had felt called to go from the pastorate of Forsyth Park Baptist Church (then Hawthorne Road Baptist Church) to lead in establishing a new church in Denver, Colorado.

In 1962 our Associational Study Committee recommended that we make Pioneer Missions a regular part of our New Work Program. This action has been delayed for about 6 years due to other pressing opportunities and needs.

In the early part of this year, however, the Missions Committee recommended and the Executive Committee approved, after considerable investigation and much prayer, that we assist in establishing a church in the Steel Valley Baptist Association in the area of Youngstown and Warren, Ohio. Dale Steele and Lewis Ludlum had visited the area and Rev. Ross Hughes had made an over night visit here.

A financial plan has been worked out to provide $100.00 per month from our New Work account and to encourage interested churches to provide an average of $150.00 per month for this worthy work.

Our gifts will go for partial support of Rev. Melvin Jones and his family, whom God has called from a pastorate at McComb, Mississippi, as pastor of the Cornersburg Baptist Mission.

This provides an excellent opportunity for investment in Missions that will produce many fold.

Lewis Ludlum

Such messengers shall be duly certified by the church by the time of each meeting of the Association, and listed in the annual letter sent by the church to the Association. The clerk reported on the activities of the Association during the past year and discussed particularly the present organizational structure and the changes that would be brought about should the new constitution be adopted.

Following congregational singing, on motion by Mrs. John Lewis the Treasurer's report was adopted.

On motion by Talmadge Wall, the Nominating Committee's report was adopted, as amended by Warren Carr that his (Carr's) name be deleted and that the matter be referred to the Nominating Committee.

On motion by Paul Riggs, the proposed new constitution was adopted, as amended by Hall (for Article VI., Section 2 to read, "It's actions are subject") and Carr (for Article XII to read, "Proposed changes must be presented to the affiliating churches in writing").

Lewis Ludlum presented George Shore as Director of Christian

Social Ministries, who discussed his work as an effort to help churches interpret the calls for help from those in trouble.

Following prayer by R. E. Adams, the meeting adjourned

Wednesday Afternoon Meeting

After congregational singing and prayer by Neal Eller, Lewis Rhodes spoke on "Living the Spirit of Christ in Relevance."

H. N. Rimer, Jr. presented the following report of the Resolutions Committee which was adopted:

"Be it resolved that we express our deep appreciation to the following:

"The Knollwood Baptist Church and its pastor, J. R. Noffsinger, Northwest Baptist Church and its pastor, W. T. Hendrix for the use of their fine facilities and their hospitality as gracious hosts of the Association.

"The Officers of the Association, especially our Moderator, W. T. Hendrix, and our Clerk, Dr. James M. Bulman, for their labor of love and a job well done.

"The Committee on Order of Business for the inspiring program.

"The program, personalities especially William H. Edwards, pastor of First Baptist Church, Pilot Mountain, for his inspiring annual message, and Denny L. Turner, Minister of Music of Beck's Baptist Church for his leadership in congregational singing and special music.

"The news media for the fine coverage given to the sessions of the Association.

"Lewis Ludlum, Lawrence Childs, Jr. and the Associational Staff for the continuing progressive leadership given to the Pilot Mountain Association.

"All church, leaders, and messengers to the Association for their loyalty in the support of the cause of Christ throughout the Pilot Mountain Baptist Association.

"And that we pledge our full support to cooperate with the new Associational Officers and with one another for the coming year; and that we covenant together to pray that God will guide, strengthen, and use us to further the unfinished work of the Kingdom."

R. E. Adams led in a memorial service, stressing that as we think of those who have gone before we should be challenged to a more dedicated Christian life.

Robert Bruhn spoke on the need of our having new concepts to meet the younger population.

Gordon Maddrey spoke on the Baptist Foundation, pointing out how it undergirds all our institutions.

Guy Cain spoke on the importance of retirement insurance.

Marse Grant spoke on the need for taking negroes into our churches.

Claude Bowen, President of the North Carolina Baptist State Convention, spoke on "The Challenge of Change," saying that we must focus on something steady — and that is the cross.

The session adjourned after prayer by Leon Hawks.
